

ABOUT THE COVENTRY SOCIETY:

The Coventry Society is Coventry's civic society, a membership organisation and registered charity, which is open to anyone who supports our objectives:

- * To promote the environmental, social, economic and cultural improvement of Coventry for the benefit of people living, working and visiting here.
- * To promote high standards of planning, urban design and architecture in Coventry.
- * To preserve, and to promote understanding and appreciation of the buildings and history of Coventry.
- * To promote high quality public amenities and services for the people of Coventry.
- * To promote harmonious relations among the community of all cultures and beliefs in Coventry.

HAVE YOUR SAY:

- * Become a member of the Coventry Society.
- * Join us at our monthly meetings with guest speakers addressing relevant topics of interest.
- * Put your views forward in our meetings, contribute to our website.
- * Become involved in our campaigns and projects.

Coventry's
Civic Society
Campaigning for
a quality
Coventry

PROTECTING OUR PAST

Coventry's heritage is important for our city's sense of identity and belonging. We need to protect and re-use old buildings. These heritage features add quality and character to our city.

PROMOTING OUR FUTURE

We want Coventry to have leisure, sport, cultural and commercial facilities and services proportionate to a city of its size and importance.

TAKING PRIDE IN OUR CITY

We want to see better quality in the design of our streets, squares, parks and buildings in all parts of Coventry. We need and deserve an environment that citizens can view with pride.

COVENTRY OUR CITY

Coventry is a fine city with a rich history, known for its three magnificent cathedrals and the inspiring legend of Lady Godiva. It is also well known for the radical reconstruction of the city centre after the Second World War. After maintaining a successful manufacturing industry throughout most of the 20th Century, today it finds itself in a fast changing social and economic environment.

COVENTRY OUR FUTURE

Coventry is in the process of reinventing itself. The city is searching for new industries, jobs, housing, sport and leisure facilities. But this needs to be as part of an improved environment. We need better buildings, new ideas in urban design. We need attractive parks and open spaces and a vision for the city centre. We want a well-planned city.

COVENTRY OUR HERITAGE

The Society promotes the city's heritage through its website and social media and at our monthly meetings and events such as Heritage Open Days and Civic Day. At every opportunity we talk to developers about the need to design their buildings and environment to reflect the historic context of the city.

Coventry has many listed medieval and post war architecture, but we also have some other interesting buildings and conservation areas that need both conserving and saving.

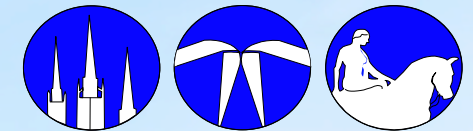

THE COVENTRY SOCIETY

The Coventry Society, founded in 1970 as the Coventry Civic Amenities Society, is a member of Civic Voice, the national organisation of civic societies.

The Society:

- * campaigns for the protection of Coventry's historic buildings.
- * campaigns for improvements to Coventry in architecture, design and planning.
- * liaises with the City Council, commenting on its plans and policies affecting the fabric of the city and monitoring planning applications.
- * works – with others – for a healthy, diverse, harmonious, environment-friendly and culturally vibrant city.
